

These are suggested authors and series. This list should not limit what your child is reading! Reading should be fun as well as educational. Choose titles and topics that your child enjoys.

Tips for Reading:

- **Provide Access to Reading Material:** Keep a wide range of books and magazines around the house. Materials with interesting pictures often spark an interest in a new topic.
- **Read Together:** Shared reading is a fun way to inspire a love of reading. Read to your child or take turns reading (even if they are making up a story to go along with the pictures)!
- **Model Curiosity:** As you read with your child ask questions and engage in conversation. Your interest and enthusiasm will spread to your child!
