**SUMMER LEARNING
PROGRAM 2024
July 1—August 9**

Otis Library is committed to helping children explore reading and the world around them! Our reading lists and Summer Learning Program were designed with this in mind.

Join our **Summer Learning Program Ages 6-11** for fun activities and reading challenges! Kids earn weekly goal prizes and chances to win a grand prize!

Activity logs are available at the library or at otislibrarynorwich.org.

These are suggested authors and series. This list should not limit what your child is reading! Reading should be fun as well as educational. Choose titles and topics that your child enjoys.

Tips for Reading:

- **Provide Access to Reading Material:** Keep a wide range of books and magazines around the house. Materials with interesting pictures often spark an interest in a new topic.
- **Read Together:** Shared reading is a fun way to inspire a love of reading. Read to your child or take turns reading!
- **Model Curiosity:** As you read with your child ask questions and engage in conversation. Your interest and enthusiasm will spread to your child!
